## How to study?

Andre H.

If you want to study well, you must do it in short sessions. I find it helpful to study in quick sessions with a break in between. Studying with music is also helpful because it puts you in a zone in your mind where you can just focus; I like lo-fi especially because it really helps me focus on work. I study only when I have tests or quizzes but not in my free time because it is very boring and makes it even harder to concentrate because I want to do other things. Lastly, you should eliminate any distractions from your study time because you might not be able to resist the urge and get distracted.

## How to respond to a bully?

Cara O.

- Tell an adult (a teacher, a parent. etc.)
- If you're being bullied on social media, show it to someone or ignore the rude comments.
- Remember that if you are being bullied the bully must have been hurt so they are taking their anger out on you. Try being nice to them.
- Stand up for yourself.
- Pray for them.

## How to learn Spanish?

Sara V.

- Read low level Spanish books and search what you don't understand.
- Use Duolingo to help you.
- Search for specialized books that match your level of understanding.
- Getting tutored can also help if you are more of a listener.

## FCS SCHOOL LIFE

### Applebee's Flapjack Fundraiser

The Applebee's breakfast was a great experience for our entire school community. 200 guests came together for a delicious pancake buffet breakfast and a fun event. The restaurant was located at 213-29 26th Avenue in the Bay Terrace shopping center.

Students earned 1 hour of service as greeters and wait staff. Greeters helped to seat guests, while wait staff served food and drinks to guests. Kaleb, a 6<sup>th</sup> grader, says "it felt different but was fun." This was a great experience to know how hard our parents work.

### 📖 Bible Verse

#### Psalm 86:10

"For You are great and perform wonders; You alone are God."

#### Be Inspired:

- 💡 "Focus on the positive, not the negative."
- 💡 "Life is a journey, not a destination."
- 💡 "Education is our passport to the future tomorrow, and today is the day to apply."
- 💡 "Be wise enough to walk away from the nonsense around you."
- 💡 "A wise man once said... nothing."

When the bell rings and the teacher forgot to mention the homework

#### We Got Jokes!

- 🌀 Why didn't the dollar roll down the hill with the nickel? It had no cents.
- 🌀 Can a kangaroo jump higher than a house? Yes; houses can't jump.
- 🌀 What did the ocean say to the pirate? Nothing; it just waved.
